Through your generous, ongoing support of the Soccer Silicon Valley Community Foundation, this year we have been able to:

- Partner with San Jose Earthquakes goalkeeper Joe Cannon to raise over \$10,000 for IPSTP, a local autism support group.
- Continue to host 50 deserving children from different youth-oriented non-profits around the Bay Area in the SSV Kidzone at every Earthquakes home game.
- Partner with the 1906 Ultras, San Jose Councilmember Sam Liccardo, and Catholic Charities to host at-risk teens from the Washington Youth Center in San Jose in the supporters' section at every Earthquakes home game.
- Provide soccer scholarships, travel and other financial assistance for underprivileged youth players in our area.
- Partner with Little Feet to build a soccer field in Honduras.
- Co-sponsor with the San Jose Earthquakes a "Light the Night" walk team of Earthquakes fans to benefit the Leukemia & Lymphoma Society.
- Partner with the 1906 Ultras to raise funds for former Earthquakes player Joe Vide's medical assistance campaign.
- Continue to partner with History San Jose to underwrite, display, professionally maintain, and archive a museum-quality collection of artifacts related to Bay Area soccer, preserving and respecting the legacy forever.
- Continue to sponsor the Heritage Cup trophy and competition, recognizing MLS teams that have embraced their history by taking on the name of their NASL predecessors.
- Continue to sponsor the annual Andrew Bedard Award recognizing the most community-oriented Earthquakes player, to be announced at the SSVCF Dinner on September 17.
- Initiate for 2010 the Hannah Welker Award recognizing the most community-oriented FC Gold Pride player, to be announced at the SSVCF Dinner on September 17.
